## Other Points

10. Mr. Prakash Bhandari mentioned that IGU’s role is to develop and promote the game of golf in India. He said SGAs should be involved for development at grass root level. He then said that in the last AGM, Rs. 2 lakhs were to be given to all SGA’s provided they submitted certain documents. These funds were distributed to SGA’s who had submitted the correct and complete documents. He also said that a share of club subscription was to be given to SGAs but this has not been implemented still. This point, in principle agreed, however the modus operandi for the same would

need more deliberation. Mr. Harish Shetty of Golf Karnataka also raised a point, that the annual subscriptions received from the clubs should come to respective SGAs and SGAs should further deposit the part of subscription to IGU. The President on this remarked that it would need the amendment in our MOA and can be taken up later.

11. The DG Introduced the Returning Officer for the elections along with IOA observer to all the member.
